## **TRADEMARK SECURITY AGREEMENT**

This **TRADEMARK SECURITY AGREEMENT** (this "Agreement"), dated as of April 7, 2004, is entered into among **CITY SPORTS, INC.**, a Massachusetts corporation (the "Debtor"), and **WELLS FARGO RETAIL FINANCE, LLC**, a Delaware limited liability company ("Secured Party"), with reference to the following:

**WHEREAS**, the Debtor and City Sports – DC, LLC (a District of Columbia limited liability company)(individually and collectively, the "Borrower") and Secured Party, on the other hand, have entered into that certain Loan and Security Agreement, dated as of even date herewith (as amended, restated, modified, supplemented, refinanced, renewed or extended from time to time, the "Loan Agreement"), pursuant to which the Secured Party has agreed to make certain financial accommodations to Borrower, and pursuant to which Borrower has granted to Secured Party a security interest in (among other things) all of the general intangibles of Borrower.

**WHEREAS**, pursuant to the Loan Agreement and as one of the conditions precedent to the obligations of the Secured Party under the Loan Agreement, Debtor has agreed to execute and deliver this Agreement to Secured Party for filing with the PTO and with any other relevant recording systems in any domestic jurisdiction, and as further evidence of and to effectuate the existing security interests of Secured Party in the trademarks and other general intangibles described herein.

**NOW, THEREFORE**, for valuable consideration, the receipt and adequacy of which is hereby acknowledged, Debtor and Secured Party hereby agree as follows:

1. **Definitions; Interpretation.**

(a) **Certain Defined Terms.** As used in this Agreement, the following terms shall have the following meanings:

"**Debtor**" has the respective meaning set forth in the preamble to this Agreement.

"**Proceeds**" means whatever is receivable or received from or upon the sale, lease, license, collection, use exchange or other disposition, whether voluntary or involuntary, of any Trademark Collateral, including "proceeds" as defined in the UCC, all insurance proceeds and all proceeds of proceeds. Proceeds shall include (i) any and all accounts, chattel paper, instruments, general intangibles, cash and other proceeds, payable to or for the account of any Debtor, from time to time in respect of any of the Trademark Collateral, (ii) any and all proceeds of any insurance, indemnity, warranty or guaranty payable to or for the account of any Debtor from time to time with respect to any of the Trademark Collateral, (iii) any and all claims and payments (in any form whatsoever) made or due and payable to any Debtor from time to time in connection with any requisition, confiscation, condemnation, seizure or forfeiture of all or any part of the Trademark Collateral by any Person acting under color of governmental authority, and (iv) any and all other amounts from time to time paid or payable under or in connection with

any of the Trademark Collateral or for or on account of any damage or injury to or conversion of any Trademark Collateral by any Person.

"PTO" means the United States Patent and Trademark Office and any successor thereto.

"Secured Party" has the meaning set forth in the preamble to this Agreement, together with its successors and assigns.

"Trademark Collateral" has the meaning set forth in Section 2.

"Trademarks" has the meaning set forth in Section 2.

"UCC" means the Uniform Commercial Code as in effect from time to time in the Commonwealth of Massachusetts.

"United States" and "U.S." each mean the United States of America, including all territories and protectorates thereof.

(b) Terms Defined in UCC. Where applicable and except as otherwise defined herein, terms used in this Agreement shall have the meaning assigned to them in the UCC.

(c) Interpretation. In this Agreement, except to the extent the context otherwise requires:

(i) Any reference to a Section or Schedule is a reference to a section hereof, or a schedule hereto, respectively, and to a subsection or a clause is, unless otherwise stated, a reference to a subsection or a clause of the Section or subsection in which the reference appears.

(ii) The words "hereof," "herein," "hereto," "hereunder" and the like mean and refer to this Agreement as a whole and not merely to the specific Section, subsection, paragraph or clause in which the respective word appears.

(iii) The meaning of defined terms shall be equally applicable to both the singular and plural forms of the terms defined.

(iv) The words "including," "includes" and "include" shall be deemed to be followed by the words "without limitation."

(v) References to agreements and other contractual instruments shall be deemed to include all subsequent amendments and other modifications thereto.

(vi) References to statutes or regulations are to be construed as including all statutory and regulatory provisions consolidating, amending or replacing the statute or regulation referred to.

(vii) Any captions and headings are for convenience of reference only and shall not affect the construction of this Agreement.

(viii) Capitalized words not otherwise defined herein shall have the meanings ascribed to them in the Loan Agreement.

(ix) In the event of a direct conflict between the terms and provisions of this Agreement and the Loan Agreement, it is the intention of the parties hereto that both such documents shall be read together and construed, to the fullest extent possible, to be in concert with each other. In the event of any actual, irreconcilable conflict that cannot be resolved as aforesaid, the terms and provisions of the Loan Agreement shall control and govern; provided, however, that the inclusion herein of additional obligations on the part of Debtors and supplemental rights and remedies in favor of Secured Party (whether under federal law or applicable California law), in each case in respect of the Trademark Collateral, shall not be deemed a conflict in the Loan Agreement.

## 2. Security Interest.

(a) Assignment and Grant of Security. To secure the Obligations, Debtor hereby grants, assigns, transfers and conveys to Secured Party a continuing security interest in all of such Debtor's right, title and interest in and to the following property, whether now existing or hereafter acquired or arising and whether registered or unregistered (collectively, the "Trademark Collateral"):

(i) all state (including common law) and federal trademarks, service marks and trade names, corporate names, company names, business names, fictitious business names, trade styles, trade dress, logos, other source or business identifiers, designs and general intangibles of like nature, now existing or hereafter adopted or acquired, together with and including all licenses therefor held by Debtor, and all registrations and recordings thereof, and all applications filed or to be filed in connection therewith, including registrations and applications in the PTO, any State of the United States and all extensions or renewals thereof, including without limitation any of the foregoing identified on Schedule A hereto (as the same may be amended, modified or supplemented from time to time), and the right (but not the obligation) to register claims under any state or federal trademark law regulation and to apply for, renew and extend any of the same, to sue or bring opposition or cancellation proceedings in the name of the Debtor or in the name of Secured Party for past, present or future infringement or unconsented use thereof, and all rights arising therefrom throughout the world (collectively, the "Trademarks");

(ii) all claims, causes of action and rights to sue for past, present or future infringement or unconsented use of any Trademarks and all rights arising therefrom and pertaining thereto;

(iii) all general intangibles related to or arising out of any of the Trademarks and all the goodwill of Debtor's business symbolized by the Trademarks or associated therewith; and

(iv) all Proceeds of any and all of the foregoing Trademark Collateral (including license royalties, rights to payment, accounts receivable and proceeds of infringement suits) and, to the extent not otherwise included, all payments under insurance (whether or not Secured Party is the loss payee thereof) or any indemnity, warranty or guaranty payable by reason of loss or damage to or otherwise with respect to the foregoing Trademark Collateral.

(b) Continuing Security Interest. Debtor hereby agrees that this Agreement shall create a continuing security interest in the Trademark Collateral which shall remain in effect until terminated in accordance with Section 18.

(c) Incorporation into Loan Agreement. This Agreement shall be fully incorporated into the Loan Agreement and all understandings, agreements and provisions contained in the Loan Agreement shall be fully incorporated into this Agreement. Without limiting the foregoing, the Trademark Collateral described in this Agreement shall constitute part of the Collateral in the Loan Agreement.

(d) Permitted Licenses. Anything in the Loan Agreement or this Agreement to the contrary notwithstanding, each Debtor may grant non-exclusive licenses of the Trademark Collateral (subject to the security interest of Secured Party) in the ordinary course of business consistent with past practice, provided, that no Event of Default shall have occurred and be continuing.

3. Further Assurances; Appointment of Secured Party as Attorney-in-Fact. Debtor at its expense shall execute and deliver, or cause to be executed and delivered, to the Secured Party any and all documents and instruments, in form and substance reasonably satisfactory to Secured Party, and take any and all action, which Secured Party, in the exercise of its Permitted Discretion, may reasonably request from time to time, to perfect and continue the perfection of, to maintain the priority of or provide notice of the security interest in the Trademark Collateral held by Secured Party and to accomplish the purposes of this Agreement. If Debtor refuses to execute and deliver, or fails timely to execute and deliver, any of the documents it is requested to execute and deliver by Secured Party in accordance with the foregoing, Secured Party shall have the right, in the name of Debtor, Secured Party or otherwise, without notice to or assent by Debtor, and Debtor hereby irrevocably constitutes and appoints Secured Party (and any of Secured Party's officers or employees or agents designated by Secured Party) as Debtor's true and lawful attorney-in-fact with full power and authority, (i) to sign the name of Debtor on all or any of such documents or instruments and perform all other acts that Secured Party, in the exercise of its Permitted Discretion, deems necessary or advisable in order to perfect or continue the perfection of, maintain the priority or enforceability of or provide notice of the security interest in the Trademark Collateral held by Secured Party, and (ii) to execute any and all other documents and instruments, and to perform any and all acts and things for and on behalf of Debtor, which Secured Party reasonably may deem necessary or advisable to maintain, preserve and protect the Trademark Collateral and to accomplish the purposes of this

Agreement, including (A) upon the occurrence and during the continuation of any Event of Default, to defend, settle, adjust or institute any action, suit or proceeding with respect to the Trademark Collateral, (B) upon the occurrence and during the continuation of any Event of Default, to assert or retain any rights under any license agreement for any of the Trademark Collateral, and (C) upon the occurrence and during the continuance of any Event of Default, to execute any and all applications, documents, papers and instruments for Secured Party to use the Trademark Collateral, to grant or issue any exclusive or non-exclusive license with respect to any Trademark Collateral, and to assign, convey or otherwise transfer title in or dispose of the Trademark Collateral. The power of attorney set forth in this Section 3, being coupled with an interest, is irrevocable so long as this Agreement shall not have terminated in accordance with Section 18.

4. Representations and Warranties. Each Debtor represents and warrants to Secured Party and the Secured Party as follows:

(a) No Other Trademarks. Schedule A sets forth, a true and correct list of all of the existing Trademarks that are registered or for which any application for registration has been filed with the PTO or any corresponding or similar trademark office of any other U.S. jurisdiction, and that are owned or held (whether pursuant to a license or otherwise) and used by any Debtor.

(b) Validity. Each of the Trademarks listed on Schedule A is subsisting and has not been adjudged invalid or unenforceable, in whole or in part, and, to the best of Debtor's knowledge, each of the Trademarks is valid and enforceable.

(c) Ownership of Trademark Collateral; No Violation. (i) Debtor has rights in and good and defensible title to its Trademark Collateral, (ii) with respect to the Trademark Collateral shown on Schedule A hereto as owned by it, each Debtor is the sole and exclusive owner thereof, free and clear of any Liens and rights of others (other than the security interest created hereunder and other than Permitted Liens), including licenses, registered user agreements and covenants by such Debtor not to sue third persons, and (iii) with respect to any Trademarks for which any Debtor is either a licensor or a licensee pursuant to a license or licensee agreement regarding such Trademark, each such license or licensing agreement is in full force and effect, such Debtor is not in material default of any of its obligations thereunder and, other than (A) the parties to such licenses or licensing agreements, or (B) in the case of any non-exclusive license or license agreement entered into by such Debtor or any such licensor regarding such Trademark, the parties to any other such non-exclusive licenses or license agreements entered into by such Debtor or any such licensor with any other Person, no other Person has any rights in or to any of the Trademark Collateral.

(d) No Infringement. To the best of Debtor's knowledge, (i) no material infringement or unauthorized use presently is being made of any of the Trademark Collateral by any Person, and (ii) the past, present and contemplated future use of the Trademark Collateral by Debtor has not, does not and will not infringe upon or violate any right, privilege or license agreement of or with any other Person.

(e) Powers. Debtor has the unqualified right, power and authority to pledge and to grant to Secured Party a security interest in all of the Trademark Collateral pursuant to this Agreement, and to execute, deliver and perform its obligations in accordance with the terms of this Agreement, without the consent or approval of any other Person except as already obtained.

5. Covenants. So long as any of the Obligations remain unsatisfied, Debtor covenants that Debtor shall:

(a) comply with all of the covenants, terms and provisions of this Agreement, the Loan Agreement and the other Loan Documents;

(b) promptly give Secured Party written notice of the occurrence of any event that could have a material adverse effect on any of the Trademarks or the Trademark Collateral, including any petition under the Bankruptcy Code filed by or against any licensor of any of the Trademarks for which Debtor is a licensee;

(c) on a continuing basis, make, execute, acknowledge and deliver, and file and record in the proper filing and recording places, all such instruments and documents, including appropriate financing and continuation statements and security agreements, and take all such action as may be necessary or advisable or may be requested by Secured Party to carry out the intent and purposes of this Agreement, or for assuring, confirming or protecting the grant or perfection of the security interest granted or purported to be granted hereby, to ensure Debtor's compliance with this Agreement or to enable Secured Party to exercise and enforce its rights and remedies hereunder with respect to the Trademark Collateral. Without limiting the generality of the foregoing sentence, Debtor:

(i) hereby authorizes Secured Party in its sole discretion if Debtor refuses to execute and deliver, or fails timely to execute and deliver, any of the documents it is requested to execute and deliver by Secured Party, to modify this Agreement without first obtaining Debtor's approval of or signature to such modification by amending Schedule A hereof to include a reference to any right, title or interest in any existing Trademark Collateral or any Copyright, Registration or Trademark Collateral acquired or developed by such Debtor after the execution hereof, or to delete any reference to any right, title or interest in any Trademark Collateral in which Debtor no longer has or claims any right, title or interest; and

(ii) hereby authorizes Secured Party, in its sole discretion, to file one or more financing or continuation statements, if such Debtor refuses to execute and deliver, or fails timely to execute and deliver, any such amendment thereto it is requested to execute and deliver by Secured Party, any amendments thereto, relative to all or any portion of the Trademark Collateral, without the signature of Debtor where permitted by law;

(d) comply, in all material respects, with all applicable statutory and regulatory requirements in connection with any and all of the Trademark Collateral and do all other acts and take all other measures which, in Debtor's reasonable business judgment, may be

necessary or desirable to preserve, protect and maintain the Trademark Collateral and all of Debtor's rights therein, including diligently prosecute any material trademark application pending as of the date of this Agreement or thereafter;

(e) comply with each of the terms and provisions of this Agreement, and not enter into any agreement (for example, a license agreement) which is inconsistent with the obligations of Debtor under this Agreement without Secured Party's prior written consent; and

(f) not permit the inclusion in any contract to which Debtor becomes a party of any provision that could or might impair or prevent the creation of a security interest in favor of Secured Party for the benefit of the Secured Party in Debtor's rights and interest in any property included within the definition of Trademark Collateral acquired under such contracts.

6. Future Rights. If and when Debtor shall obtain rights to any new Trademarks, or any reissue, renewal or extension of any Trademarks, the provisions of this Agreement shall automatically apply thereto and Debtor shall give to Secured Party prompt notice thereof. Debtor shall do all things reasonably deemed necessary or advisable by Secured Party to ensure the validity, perfection, priority and enforceability of the security interests of Secured Party in such future acquired Trademark Collateral. If Debtor refuses to execute and deliver, or fails timely to execute and deliver, any of the documents it is requested to execute and deliver by Secured Party in connection herewith, Debtor hereby authorizes Secured Party to modify, amend or supplement the Schedules hereto and to re-execute this Agreement from time to time on Debtor's behalf and as its attorney-in-fact to include any future Trademarks which are or become Trademark Collateral and to cause such re-executed Agreement or such modified, amended or supplemented Schedules to be filed with the PTO.

7. Duties of Secured Party. Any provision contained in this Agreement to the contrary notwithstanding, Secured Party shall not have any duty to exercise any of the rights, privileges or powers afforded to it and shall not be responsible to Debtor or any other Person for any failure to do so or delay in doing so. Except for the accounting for moneys actually received by Secured Party, Secured party shall not have any duty or liability to exercise or preserve any rights, privileges or powers pertaining to the Trademark Collateral.

8. Events of Default. The occurrence of any "Event of Default" under the Loan Agreement or any other Loan Document shall constitute an Event of Default hereunder.

9. Remedies. Upon the occurrence and during the continuation of an Event of Default, Secured Party shall have all rights and remedies available to it under the Loan Agreement and the other Loan Documents and applicable law (which rights and remedies are cumulative) with respect to its security interests in any of the Trademark Collateral or any other Collateral. Debtor hereby agrees that such rights and remedies include the right of Secured Party as a secured party to sell or otherwise dispose of its Collateral after default, pursuant to UCC Section 9-610. Debtor hereby agrees that Secured Party shall at all times have such royalty-free licenses, to the extent permitted by law, for any Trademark Collateral that is reasonably necessary to permit the exercise of any of Secured Party's rights or remedies upon or after the occurrence of (and during the continuation of) an Event of Default with respect to (among other

things) any tangible asset of Debtor in which Secured Party has a security interest, including Secured Party's rights to sell inventory, tooling or packaging which is acquired by Debtor (or its successor, assignee or trustee in bankruptcy). In addition to and without limiting any of the foregoing, upon the occurrence and during the continuance of an Event of Default, Secured Party shall have the right but shall in no way be obligated to bring suit, or to take such other action as Secured Party deems necessary or advisable, in the name of Debtor or Secured Party, to enforce or protect any of the Trademark Collateral, in which event Debtor shall, at the request of Secured Party, do any and all lawful acts and execute any and all documents required by Secured Party in aid of such enforcement. To the extent that Secured Party shall elect not to bring suit to enforce such Trademark Collateral, Debtor agrees to use all reasonable measures and its diligent efforts, whether by action, suit, proceeding or otherwise, to prevent the infringement, misappropriation or violation thereof by others and for that purpose agrees diligently to maintain any action, suit or proceeding against any Person necessary to prevent such infringement, misappropriation or violation.

10. Binding Effect. This Agreement shall be binding upon, inure to the benefit of and be enforceable by the Debtor and Secured Party and their respective successors and assigns.

11. Notices. All notices and other communications hereunder shall be in writing and shall be mailed, sent or delivered in accordance with the Loan Agreement.

12. Governing Law. This Agreement shall be governed by, and construed and enforced in accordance with, the laws of the Commonwealth of Massachusetts, except to the extent that the validity or perfection of the security interests hereunder in respect of any Trademark Collateral are governed by federal law, in which case such choice of Massachusetts law shall not be deemed to deprive Secured Party of such rights and remedies as may be available under federal law.

13. Entire Agreement; Amendment. This Agreement and the Loan Agreement, together with the Schedules hereto and thereto, contain the entire agreement of the parties with respect to the subject matter hereof and supersede all prior drafts and communications relating to such subject matter. Neither this Agreement nor any provision hereof may be modified, amended or waived except by the written agreement of the parties as provided in the Loan Agreement. Notwithstanding the foregoing, Secured Party may re-execute this Agreement or modify, amend or supplement the Schedules hereto as provided in Section 6 hereof.

14. Severability. If one or more provisions contained in this Agreement shall be invalid, illegal or unenforceable in any respect in any jurisdiction or with respect to any party, such invalidity, illegality or unenforceability in such jurisdiction or with respect to such party shall, to the fullest extent permitted by applicable law, not invalidate or render illegal or unenforceable any such provision in any other jurisdiction or with respect to any other party, or any other provisions of this Agreement.

15. Counterparts; Telefacsimile Execution. This Agreement may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute but one and the same agreement. Delivery of an executed counterpart of this

Agreement by telefacsimile shall be equally as effective as delivery of an original executed counterpart of this Agreement. Any party delivering an executed counterpart of this Agreement by telefacsimile also shall deliver an original executed counterpart of this Agreement but the failure to deliver an original executed counterpart shall not affect the validity, enforceability, and binding effect of this Agreement

16. Loan Agreement. Debtor acknowledges that the rights and remedies of Secured Party with respect to the security interest in the Trademark Collateral granted hereby are more fully set forth in the Loan Agreement and all such rights and remedies are cumulative.

17. No Inconsistent Requirements. Debtor acknowledges that this Agreement and the other Loan Documents may contain covenants and other terms and provisions variously stated regarding the same or similar matters, and Debtor agrees that all such covenants, terms and provisions are cumulative and all shall be performed and satisfied in accordance with their respective terms. Debtor agrees that, to the extent of any conflict between the provisions of this Agreement and the Loan Agreement, the provisions of the Loan Agreement shall govern.

18. Termination. Upon the payment and performance in full in cash of all Obligations and the full and final termination of any commitment to extend any financial accommodations under the Loan Agreement, this Agreement shall terminate, and Secured Party shall execute and deliver such documents and instruments and take such further action reasonably requested by Debtor, at Debtor's expense, as shall be necessary to evidence termination of the security interest granted by Debtor to Secured Party.
